The Department of Computer Science and Operations Research invites applications for the full-time, tenure-track position of Assistant Professor in Natural Language Processing and Applications, to join our laboratory on Applied Research in Computational Linguistics: RALI (http://www.rali.iro.umontreal.ca/rali/en/).

**Responsibilities**

The appointed candidate will be expected to teach undergraduate and graduate courses, supervise graduate students, be active in research, publishing, and the diffusion of knowledge, and contribute to the activities of the University.

**Requirements**

- Ph. D in Computer Science or in a discipline related to natural language processing
- An excellent publication record in the discipline; the candidate should have published in the best conferences, such as ACL and SIGIR
- Demonstrated ability to provide high quality university teaching and supervision
- An adequate knowledge of the French written and spoken language or a strong commitment to mastering the proficiency level required, in accordance to Université de Montréal’s Language Policy. An institutional learning support program is offered to all professors wishing to learn French or improve their communication skills.

**How to submit your application**
The application must include the following documents:

- a cover letter
  to conform to requirements from the government of Canada, your cover letter should include one of the following statements: “I am a citizen / permanent resident of Canada.” or “I am not a citizen / permanent resident of Canada.”
- a curriculum vitae
- copies of up to three (3) recent publications demonstrating the candidate’s research performance at the highest levels of the field
- a teaching statement
- a research statement
- Three letters of recommendation are also to be sent directly to the department chair by the referees.

Application and letters of recommendation must be sent by email to the chair of the Department, Pierre Poulin, at the following address: directeur-NLP@iro.umontreal.ca.

For more information about the Department, please consult its Web site at http://www.diro.umontreal.ca

Université de Montréal is strongly committed to fostering diversity and inclusion. Through its Equal Access Employment Program, UdeM invites women, Aboriginal people, visible and ethncial minorities, as well as persons with disabilities to send their application. We will –confidentially – adapt our recruitment mechanisms to the specific needs of people with disabilities who request it. We also welcome applications from candidates of all orientations and sexual identities. All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

Université de Montréal’s application process allows all members of the Professor’s Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.
